Parks, Playgrounds and Recreation

By WES JOHNSON

Torrance Park is one of the beautiful civic landmarks within the city of Torrance and the community should feel justly proud in this accomplishment. Green lawns, lovely shade trees and harmonious landscaping all contribute to a more enjoyable type of recreation program.

Family Day And Social Events Slated

There are some red faces among the Wesley Fellowship members at First Methodist church, 1551 El Prado. When it was discovered that some of the tickets for the annual ice cream social had been dated for Friday, July 27, and some for Saturday, July 28, it was decided to hold the ice cream social both nights. Though it means double work for the fellowship, the change in plans will give members and friends of the church two evenings to enjoy the homemade ice cream and cake in the patio of the church from 6 to 8 p.m. The evening will also include some entertainment by Wesley Fellowship members. This event is open to the public.

First Methodist church is observing a family Sunday on July 29. The youngest family in attendance at the 9 and 11 o'clock services will each receive a subscription to Together, the new magazine for Methodist families. To avoid any embarrassment, the family age will be the combined ages of parents and oldest child. The Rev. Donald J. Shelby will speak on the topic, "Partners in a Common Task," and the senior-college choir will sing, "Let There Be Light," by Franz Bornestein. There will be no church school for children 4 and older, who are expected to attend church with their parents. The crib room, 2-year-old class and 3-year-old class will be in session as usual.

Kansas City Club

The Kansas City Friendship club of Los Angeles announces its first annual picnic to be held Sunday, July 29 at the North Hollywood Recreation park No. 3, from 10 a.m. to 6 p.m. Please bring basket lunches. Games and prizes, fun for all. For further information call Bert Frank, CR 5-3385.

The park has many facilities that lend themselves to a recreation program that encompasses any age group and family activities.

Barbecue Pits

Highlighting the facilities are the stone barbecue pits and picnic areas. Each is within a pleasant setting and are there to be enjoyed by all.

In addition there is the band shell, scene of talent shows, concerts and many other like activities that further the cultural development of a city. It has equipment and apparatus that can be enjoyed by the younger set, such as swings, bars to swing on, slides, merry-go-round and sandboxes. Almost any age group can use the basketball courts and baseball fields.

Special Events

This is only part of the program sponsored by the Torrance recreation department. To continue there is an organized summer program that features such special events as a weekly cook out, talent shows, pet shows, movies, softball games, tournaments, contests watermelon feeds and many others. There are unorganized games to be offered such as maze, ring-toss, croquet, carroms, checkers and tether ball.

Woodcraft

A varied and interesting craft program is offered and includes wood-craft on Monday, Wednesday, and Friday from 10 until 11:30 ceramics on Tuesday and copper tooling on Thursday at the same time. Del Nuzum offers a class in sketching from 2 until 4 daily.

Carl Wahl is the park playground director and hails from Topeka, Kansas. He was a well known sports official in the eastern part of the state of Kansas and officiated in all of the major sports. When not engaged in summer recreation Carl teaches shop at Greenwood school.

Feminine Touch

Sharon Stanton adds the feminine touch to the staff. Sharon has just graduated from El Camino and will be attending Long Beach State college. She is working toward her General Elementary credential. Art Sues, a junior at Santa Barbara State college, rounds off the staff. Art is majoring in physical education and is working toward his secondary credential. Art is handling the softball program at Torrance park. If it is fun that the whole family is looking for, you will find it at Torrance park.

Fund-Raising Drives Keep Trailerette Girls Busy

Girls of the Trailerettes are again in the midst of a money raising drive to raise funds for their special project, the Little Flower Missionary in Los Angeles. The Trailerettes, a group which was originally started by several women living in a trailer park in Lomita, has expanded and now includes women living in Torrance, Wilmington and Lomita, as well as a group of about 12 girls ranging in age from 7 to 17.

Recently, this group of girls raised enough money to purchase a plastic swimming pool for the children in the Little Flower orphanage. Their present fund drive will culminate in a pot-luck supper to be held at the Orchard trailer park, 25344 Pennsylvania ave., Lomita, on Friday, July 27, at 7 p.m.

The girls, an enthusiastic and active group within the Trailerettes, have their own officers. They are Beverly Daily, president; Carol Oriani, vice-president; and Caroline Ford, secretary.

At a record board meeting of the Little Flower Missionary, the Trailerettes were represented by Mrs. John D. Oriani, John Thiers, Irene Conant, and Miss Joyce Lynn Oriani. Plans were formulated at that time for a carnival to be held at the Missionary in September, and the Trailerettes were assigned to a booth. Donations for the booth and the carnival are urgently requested by the Trailerettes, and more information may be obtained by contacting Mrs. John Oriani.
